Learning Journey

Team Leader or Supervisor

Team Leader or Supervisors are the frontline staff who help adults with care and support needs to achieve their personal goals and live as independently and safely as possible, enabling them to have control and choice in their lives.

To work in care is to make a positive difference to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges.

Team Leader or Supervisors need to have the right values and behaviours developing competences and skills to provide high quality compassionate care and support.

The TLC Team Leader or Supervisor apprenticeship will provide everything you need to obtain the knowledge, skills and behaviours required to excel in adult care.

The apprenticeship journey will take a minimum of 12 months and you will be required to complete a series of learning, assessment and development sessions to support your progression each month.

You will be allocated a delivery team that will work with you to ensure that you have an outstanding learning experience and to handle any queries you may have throughout the apprenticeship.

This document will provide you with an overview of the learning experience you will receive with TLC and provide an insight into the requirements of the Team Leader or Supervisor Apprenticeship.

Values & Expectations

Core Values

The successful delivery of an apprentice requires a team dedicated to providing an outstanding service and a commitment from you, your employer and the TLC delivery team.

Apprenticeship Support

Delivery Methods

TLC will use a range of teaching and learning methods to ensure that you have mastered the knowledge, skills and behaviours required in the apprenticeship standards.

The delivery methods will include:

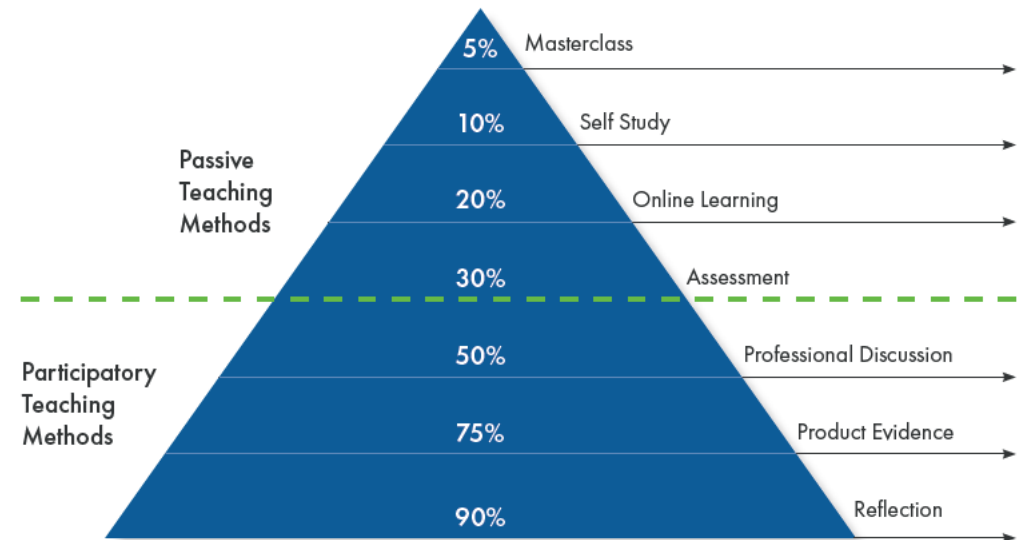

Off the Job Training

Off-the-job training is a statutory requirement for an English apprenticeship. It is training which you receive, during your normal working hours, for the purpose of achieving the knowledge, skills and behaviours of the Team Leader or Supervisor apprenticeship.

You will be spending 20% of your working hours implementing off the job training.

TLC will support and encourage you to use a range of learning methodologies including:

Software

TLC will provide the following software to support you with your learning journey:

Streamlearn is your learning management platform, it will allow you to access resources, online learning modules and assessment.

Personal Development

To enhance your learning experience TLC will provide access to personal development courses that compliment your apprenticeship learning. The courses will offer wider knowledge and skills in specialised areas.

The personal development course include:

- Time Management
- Safeguarding
- GDPR
- Health & Safety Awareness
- Prevent Awareness
- Stress Management
- British Values
- Conflict Management
- Environmental Awareness

Optional Routes

Achievement of the level 3 award in team leading is an optional component of the Team Leader or Supervisor apprenticeship standard.

To ensure you have a learning experience that most suits your individual needs TLC offers a range of optional learning routes within the level 3 award

You may choose one of the following routes as part of your learning plan:

Masterclasses

To support your learning experience TLC will provide access to masterclasses that provide expert knowledge that will build on your apprenticeship learning. The masterclasses will provide a deeper understanding of the subject matter.

Masterclasses available as part of the Team Leader or Supervisor apprenticeship include:

- Leading People
- Communication
- Awareness of Self
- Project Management
- Management of self
- Operational Management
- Managing People
- Finance
- Building Relationships
- Decision Making

Functional Skills

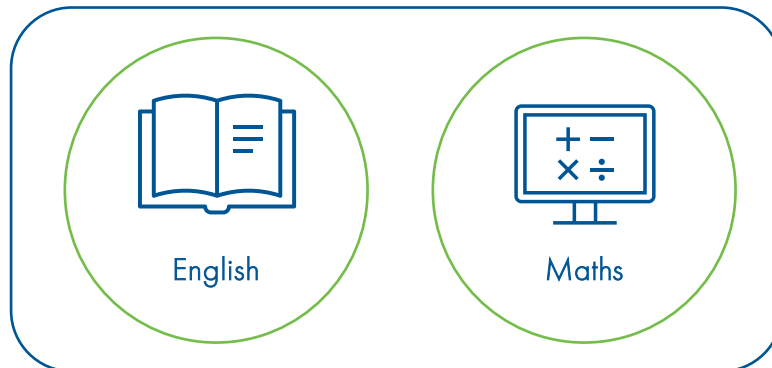

Functional Skills are an integral part of delivering apprenticeships in the UK.

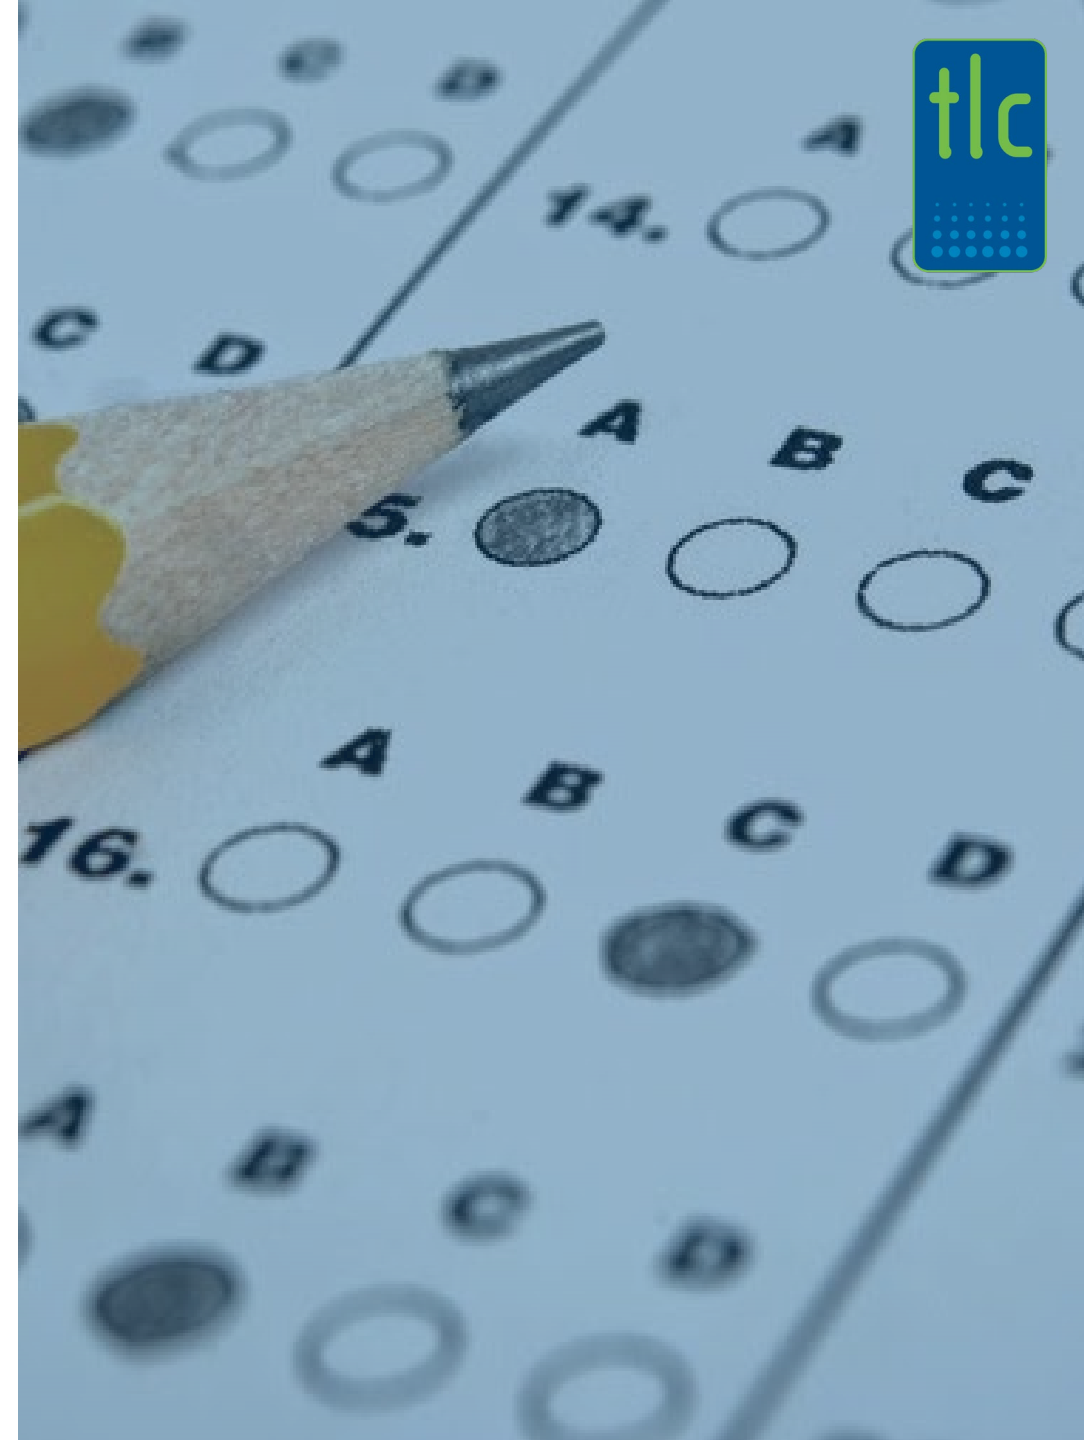

Functional Skills are the basic skills that all people need to be able to operate confidently and successfully in work and life.

To achieve your functional skills you will be required to complete an initial assessment of your skills in English and Maths. You will then receive a personal training plan to ensure you are ready for the final assessment. Once you have completed all of the training you will complete a set of online exams.

To achieve the Team Leader or Supervisor apprenticeship you will need to complete level 2 functional skills in the following subjects:

If you already hold a level 1 English and/or Maths Certificate (or equivalent qualification) you will not be required to complete the functional skill qualification again. You must be able to evidence that you have successfully achieved the qualification.

End Point Assessment

To complete the Team Leader or Supervisor apprenticeship, you must pass the End Point Assessment.

To apply for the end point assessment you must first reach the end point assessment gateway requirements.

Once you have reached the end point assessment gateway you and your employer will agree an end point assessment date and TLC will make all of the required arrangements.

British Values & Safeguarding

British Values

TLC's commitment to promoting a well-rounded experience that encourages you to learn beyond the national standards will be demonstrated by its integration with British values.

Your learning experience and expectations will integrate British values in the following ways:

Rule of Law

- You will be expected to complete the learning outcomes set out within the lesson plans, including work set above the national standards.
- Your employer must conform to the apprenticeship requirements and allow learners to spend time gaining skills and knowledge outside of the sector specific training.
- All members of the delivery team must comply to the terms of the commitment statement

Democracy

- TLC will provide opportunities to gather views of both you and your employer.
- Standardisation sessions will take place to gather feedback from TLC employees.
- Internal Quality Assurance will take place to ensure all stakeholders views are reviewed and actioned as appropriate.

Individual Liberty

- Differentiation opportunities will be provided to ensure you are given the best learning opportunities.
- Flexibility will be provided to ensure that you are accommodated and can gain skills and knowledge in a way that suits your personal needs.
- Open an honest feedback will be given to all stakeholder to drive the quality of the provision.

Tolerance & Mutual Respect

- Attendance and good timekeeping will be expected from all parties.
- All parties should expect to be treated respectfully and feel safe at all times.
- The delivery team all have a role in the apprenticeship curriculum and each role should be treated with respect.

Safeguarding

TLC's safeguarding systems will provide support, confidentiality and awareness of safeguarding. You will be appointed a designated safeguarding officer that you can contact at anytime to discuss safeguarding concerns in a confidential and safe way.

TLC will follow the six principles of safeguarding to make sure that you are working in a safe environment, the six principles are:

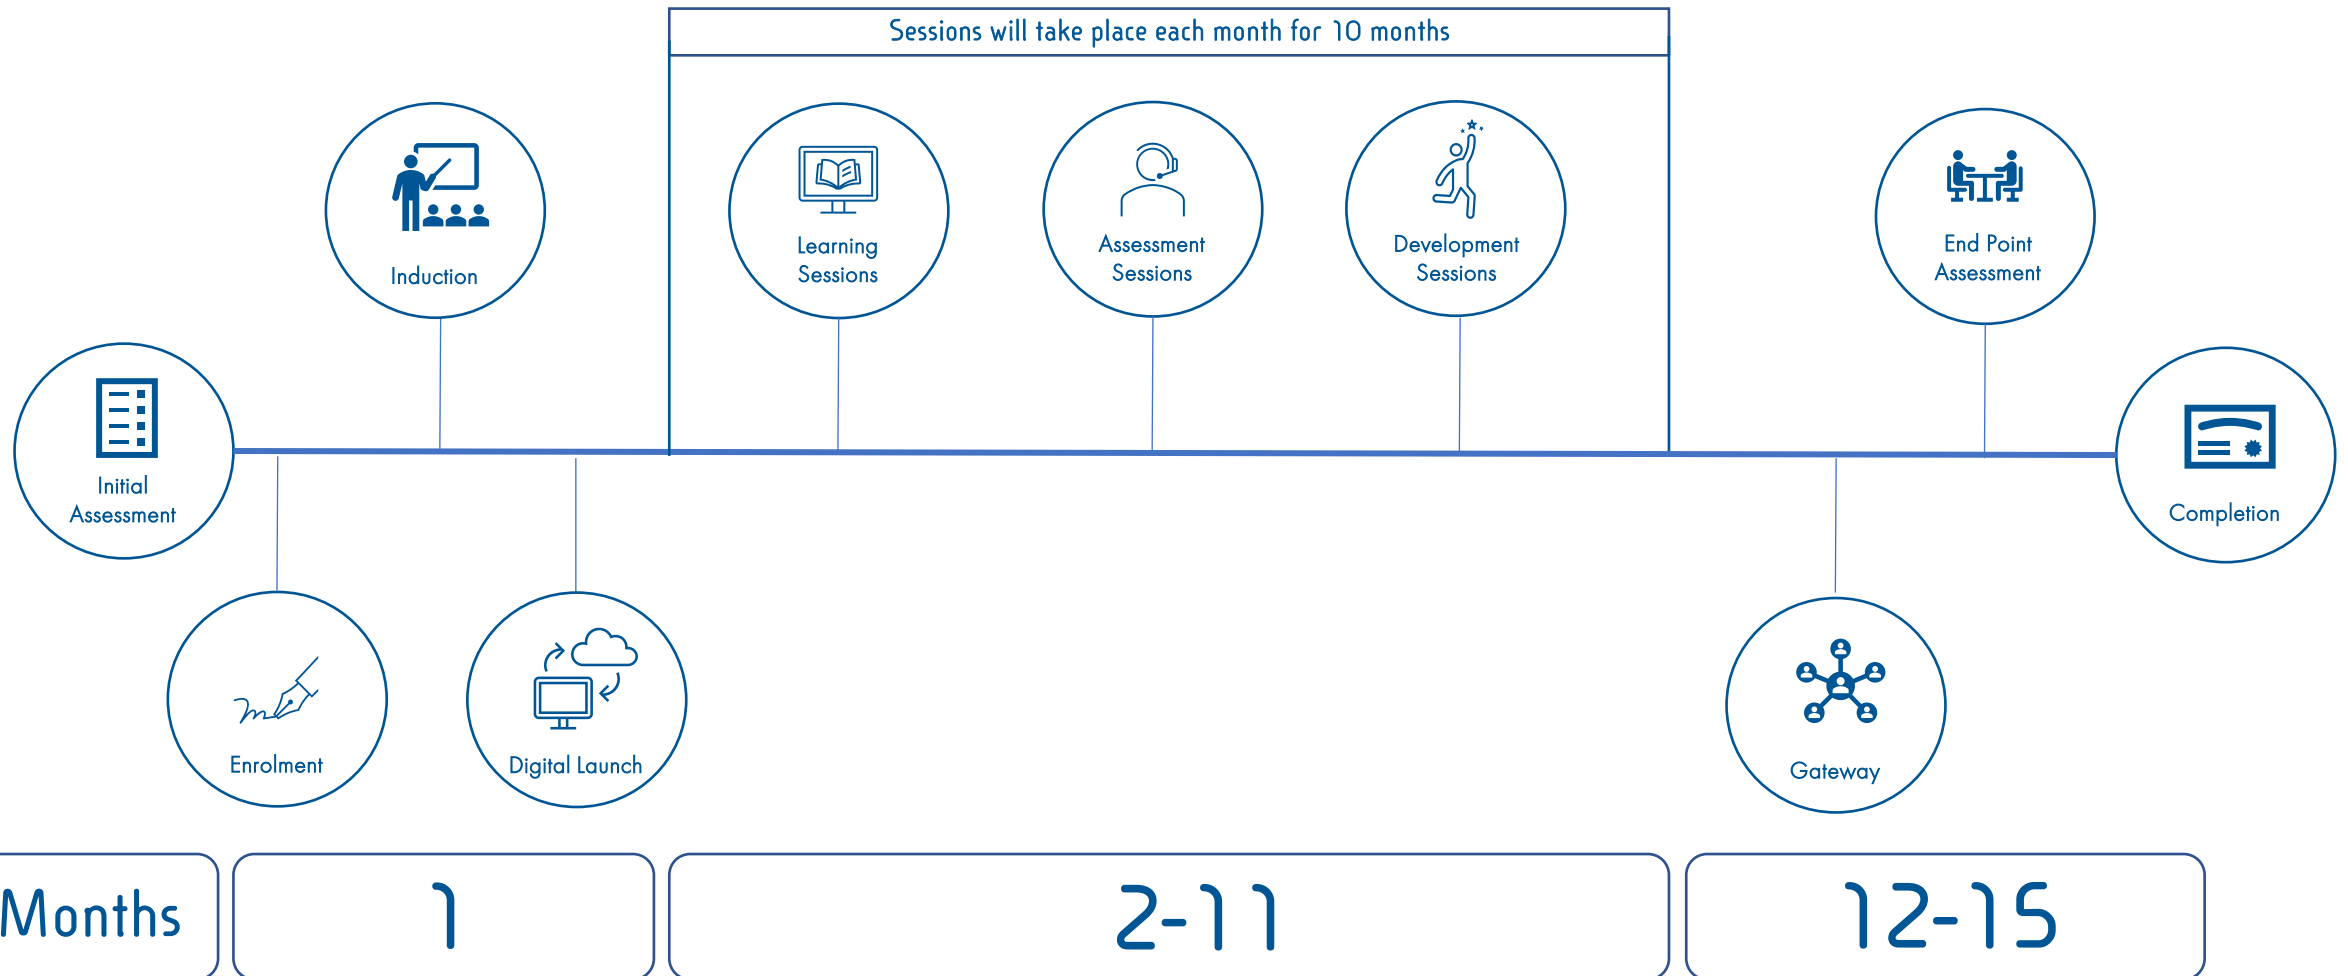

If you have any safeguarding concerns you can contact our designated safety officer on 01792 700611
